SYDNEY UNIVERSITY SPELEOLOGICAL SOCIETY.

Box 35, The Union, University of Sydney. June 1953

Circular.
Dear Speleo.

1. NOTICE OF MEETING.

The next General Meeting will be held in the Geography Building at 7.30 pm on Thursday 26 June 1958. Members are invited to bring along recent slides for a brief showing after the meeting. The usual high quality supper will doubtless be enjoyed.

2. CONSTITUTIONAL AM ENDMENTS.

Alex Jones has given notice of the following proposed ammendments to the constitution.

defeated 26.6.58

"Am end Clause 4.a. to read: The conduct of the affairs of the Society shall be delegated to the Committee, which shall consist of the President, Hon. Secretary, Hon. Treasurer, three Committee members all of whom shall be members subscribing to clause 3.a.l. above, two Committee members who shall be members subscribing to clause 3.c.ll above, and the immediate Past President.

Amend clause 4.b. to read: The Committee shall be responsible to a General Meeting of the Society, and shall hold office from the A.G.M. at which its election is announced until the A.G.M. of the following year or until its successors be appointed.

Delete clause 6.f. in toto.

3. CAVING IN TOURIST AREAS.

Caving in W.S.W. during the last six months has been seriously curtailed by the Tourist Department ban on all trips to areas under their control. As the result of an interview between Mr Best(Director of Tourist Activities) and the President and Secretary, the position has been resolved as follows:

1. Only members societies of the Australian Speleological Federation will be approved.

2. Trips will be authorised only if of a definite scientific or exploratory nature. "Tourist" trips are out.

3. A party will be limit d to 12 members.

4. Each society is to select the most experienced cavers and only these persons will be permitted to visit tourist caves areas. In the case of SUES, this list may contain up to 20 members (the maximum) and is subject to revision every six months.

This matter was fully discussed at the 60 th Committee meeting, and the list below was chosen for the period May - Nov 1958.

Members on the list who fail to make use of their privileges may not be included on the next list. Those members not on the list, who participate satisfactorily in a number of trips to non-tourist areas, can expect to be on the next list.

The following members may attend authorised trips to NSW Tourist Caves during the period May-November, 1,53.
