

5/1/57

LATE ADDITIONS.

MEETING.

=====

Unless you are financial by the next General Meeting, this will be your last circular and your privileges of Membership will lapse. Please insist on getting an official receipt for record of your payment. It is expected that the next circular will be issued on or about May 29th.

=====

PHOTOGRAPHIC EXHIBITION (See Circular)

There is an urgent need for all the black and white prints that can possibly be submitted for Section 1 - anything from postcard size to Infinity. Black and white prints can be brought on the night, colour slides should be submitted by post to Peter Knowland at 204 Beecroft Road, Cheltenham, or <sup>to</sup> ~~the~~ the Secretary at Tropical Medicine. These slides will be judged by a selected panel on the night before and will be considered on merit and their contribution to speleological art. Those selected will be shown in Section 3 of the Exhibition.

Subject Matter.

1. Troggs in rest or in action.
  2. Caves and caving.
  3. Cave area scenery.
- =====

SPECIAL GENERAL MEETING.

June 7th, New Geography Building, 3rd Year Lab.  
The Committee has ~~de~~ received a complaint concerning the behaviour of two members on a recent trip, and has decided to call a special General Meeting, Under Clause 7 of the Consitution, to consider disciplinary action.
