

NEWSLETTER OF THE SYDNEY UNIVERSITY SPELEOLOGICAL SOCIETY

Box 35, The Union,
Sydney University

S U S S

Price 6d.

Registered at the GPO Sydney for
transmission by post
as a periodical

Volume 4 Number 5

15th November 1964

Page One

SUSS is presently in its normal pre-examination-period, pre-Christmas depression and there is a distinct lack of world-shattering events to report; like the Stock Market, there will not be an upsurge of interest and activity until February or March.

However "The Society shall publish a Newsletter to be known as SUSS, issued at least once every two months", the show must go on, time and tide wait for no man etc. so, distasteful as was the thought of producing it in the middle of examinations, and tasteless as it is, here it is.

In response to overwhelming public demand (and not losing sight of the fact that this magazine of high esteem needs to have four pages to be registered for transmission by post as a periodical, and that he doesn't have time to do otherwise) the editor is pleased to again bring to your notice the Continuous Caver (who, having been down since the July 23 Newsletter, has just set a new world record of some sort)

WANTED

For devious and nefarious purposes a client seeks some good glossy black and white prints (any size up to quarto) showing characteristic scenery, inside or out (e.g. Grand Arch, Devils Coach House, the Fome of the Hairies etc). No prizes will be offered, nor thanks given, but possibility offered of seeing name in print in prestigious magazine with world-wide circulation. Applications to Secretary, preferably accompanied by negatives.

TRIP LEADERS

At its meeting on 28th October, the Committee considered a direction from the preceding General Meeting that it devise means of ^{ing}implement the new provisions of By-Law D, Section 1, which were passed unanimously by the General Meeting. The following list of persons complies with the motion put by A. Jones. The persons are considered by the Committee to be currently eligible to become, and capable of becoming, trip leaders. In future other persons considering themselves both eligible and capable should notify the Committee accordingly. As a trip leader, it is anticipated that each of these members will fulfil the requirements of By-Law D Section 1:-

ANDERSON, Edward
ANDERSON, Jennifer
AULD, Peter
CAMPBELL, Noel
CROWLE, Bill
DeBURGH, Elizabeth
DEW, Barbara
DIMENT, John
DRUMMOND, David
DUNKLEY, John
HALBERT, Erik
HINWOOD, Jeffrey

HUNT, Glenn
INNES, Margaret
JESSUP, Grahame
JONES, Alex.
KNOWLAND, Peter
LANDECKER, Tom
LOTZ, John
McCONNELL, John
ROBERTS, Richard
SHANNON, Henry
STEELE, John
SHEPHERD, Michael

WATTS, Jane

The crux of all this is that if you are not an authorised trip leader you may not conduct any trips in the name of the Society; however it should not be difficult to find a leader for any trip you may wish to go on to a particular area.

OLD RAGS, JOURNALS etc.

As advised in the last Newsletter, old SUSS Journals are now available at only 1/6 each, plus postage. There are no copies left of 6/1, 6/3 or 6/4 but those who have been conned into pre-paying for a custom-reprint of 6/3 need not despair of seeing their money embezzled. There are still plenty of copies left of the following:

1/1 , 1/2 , 1/3 , 2/1 , 3/2 , 4/1 , 4/2 , 5/2 and 6/2

TODAY'S THOUGHT :

Do people go to nudist's camps to air their differences?

FORTHCOMING EVENTSTimor5-6 DecemberKing Wade

This is a combined trip with UQSS and CHCS. Some caving may be attempted in this interesting, seldom-visited area during moments of weakness.

Jenolan12-13 DecemberJohn Dunkley

Due to oversubscription of interested persons, it is regretted that this trip will have to be confined to photographers. Transport prospects are excellent. Prospective participants can contact the Secretary early in December to finalise arrangements.

? ? ?

19 December

? ? ?

This is the only remaining date for a Christmas party. Something more definite may be available at the G.M.

Cooleman, Yarrangobilly & Buchan26 DecemberJohn Dunkley

This is still blowing hot-and-cold, now-you-see-it-now-you-don't. More details at G.M.

In search of the elusive cusec again?

GENERAL MEETING 15 DECEMBER 1964

A General Meeting of the Sydney University Speleological Society will be held at 7.30pm on Tuesday 15th December in the usual place, Room 403, Geography Building.

This General Meeting will be preceded by an Extraordinary General Meeting which has been specifically convened to determine what, if any, action should be taken against three members whose behaviour on or subsequent to a recent trip is alleged to have violated the ByLaws of the Society or brought discredit on the Society.
