21st Nov. Night Dive at Bent's Basin.

"Prince Valiant" Harper, Bruce "Clique" Richards, Norm Rogers and Yours "The Narco Kid" Truly, had to swim a quarter of a mile as landing was impossible due to a heavy ground swell.

December Activities:

13th Dec., State Championships.

21st Dec., Club Meeting.

Slides of South Australia will be shown by Barry Lines and at January's meeting we hope to have Mr. Karl Neubauer with some of his slides.

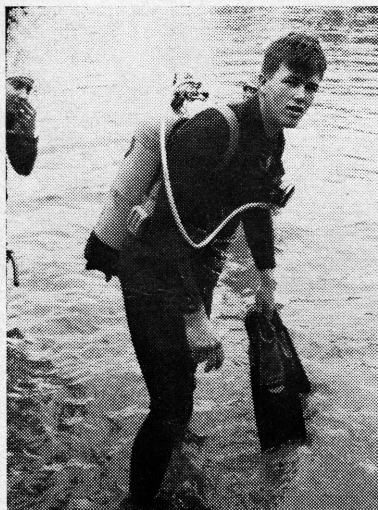

By the time the magazine comes out Alan Moule, with his new 24 square camera, should be up at Heron Island and Bob Scott, along with Johnny Lutan, should have returned with (we hope) some good slides.

Would members please help support our campaign to have silencers fitted to certain girl members of the club.

We are sorry to hear of the unfortunate accident to Mr. Henri Bource of Vic.

Merry Christmas and a Happy New Year to all skindivers throughout Australia.

John Allen.
