

AROUND THE CLUBS:—

SOUTH PACIFIC DIVERS

C/- John Allen, 6/129 Alfred St., Sans Souci.

June Activities:

A month of clear water and calm seas made this perfect for diving. Earlier in the month members of this club entertained two of the "Dave Clarke Five" Pop Group. Even Joan Riley took her wet suit out of moth balls, I wonder why!

June 14, Long Weekend:

Club members travelled North and South of Sydney. Bruce Richards and myself stayed at Huskisson and dived in the Jervis area. A 9ft. 6in. bronze whaler was taken in 6ft. of water in the Huskisson Creek. When out at Bowen Island we met Peter Walker and Divino Buddys' who were also after the whalers. We returned the following day hoping for the possibility of photos, but the ground swell made it impossible to enter the water with camera and lung.

Also diving down that way were Norm Rodgers, Chris Cooper and Glenn Millott.

Club Meeting, June 21:

After meeting, slides were shown by various club members. Plenty of interesting comments were heard, "Someone buy him a roll of film," "All they do is polish their cameras." By the interest shown we're going to give up-and-coming photographers of this club

an underwater exposure, guaranteed results, four seconds F22 aperture. Use this exposure in shallow water, sunny days, and you will be amazed at the results.

Judging by the amount of members taking up caving, there must be something in it. Frank Stevenson and Bob Smith are the latest.

Part of the club hall is to be darkened so that they may feel at home.

Newspaper accounts have Peter Harper as having got a cramp in the harbour swim, but he denies it, true or not.

Thought for the Month:

Where have all the divers gone? Gone to the altar, everyone. When will they ever learn.

John Allen.

CANTERBURY U.C.A.

"THE RED DEVILS"

P.O. Box 48, Canterbury.

Well, chaps, sorry no club news for June, as no one came forward with any news or trips they had made, so it is up to you to ring me any night and let me know what goes on.

June comp. at Wollongong was very disappointing as we had a number of boys back late for weigh-in and we finished a bad last. At our May meeting I wish to thank Ron Taylor for his time in bringing his

films to the club and the very good roll-up of members and visitors who attended.

We still have one of our best spearas down South making money, so Darcy won't want to come home till the money or himself runs out. Two of our other boys have gone North. Barry and Don to Woolgoolga for a few weeks. No news about them yet. Also over the long weekend Denis and Laurie went down to Currarong. With about 50ft. visibility they got some very nice catches.

Well, with this year's Alliman over we have done better than any previous year up-to-date and will be very good to go further in the coming one, so I would like to see a big difference in our club scores this year. It looks like Denis Hansen is the top-scoring Junior of our club and I wish him all the best in the coming State Titles as he really did a fine job of this at Shoal Bay early this year, so we may see him with this Title under his belt.

It is very pleasing to see new members joining all the time and I want any club member to ring me at any time if I can be of any assistance or question that I may be able to answer for them as I am home every night to help with anything regarding the club.

Ron Wilson.
