JUL 1970

"The World of South Pacific"

Intending new members shall attend 3 club meetings and 3 club outings before being eligible to be nominated and seconded as full members.

Visitors to our meetings and outings shall be made most welcome at all times by all members. XMichael Byrnes has been appointed Host. X

A Safety Officer shall be appointed for each outing. The duties shall include overall safety; recording diving times and depths, attendances and screening of diving teams.

A delegate is to be elected to the Scuba Divers Association of Australia on Monday, 17th August, 1970.

The divers bookshelf is to be re-established. A fee of \$2.00 is to be held as bond against damage and overdue returns. The normal lending period will be one month (i.e. club meeting to club meeting). Donations of books are most welcome.

Stories, B. & W. or Colour Prints, News, etc., are requested from club members for our Journal.

"The World of South Pacific"

It could be that the humble news-sheet you are now reading may one day develop into a first class journal. A bold statement indeed, but, nonetheless, typical of the "give it go" foundation of South Pacific Divers.
