Bad mouth of the month column.

S.P.D's ticket to ride award goes to Doug and Geraldine, who pulled off a double hat trick by being busted for holding neither a current drivers licence nor registration, whilst on route to a club dive. The water wasn't all that fine folks.

Nuptials of the month.

Congratulations to Dirk and Lyne Teda and Ken and Monique Payne on their recent marriages.

Playmate of the month award.

Goes to Rick Latimer, who's centerfold in this news letter arrived just too late for publication. Member's can obtain a glossy full colour 8 x 10 of Rick by simply sending him two self addressed postage stamps.

Yes Virginia, there is life out there in other oceans.

The committee has decided to send copies of future news letters together with club badges and transfers to a small selection of scuba clubs around the world. These clubs will be selected on the basis of having activities similar to our own. The immediate view is an exchange of techniques, slides, diving information and to establish venues in Australia and other countries for the itinerant diver traveller. The end result should be a worthwhile club contact for members, in countries where a traveller would otherwise be going it alone.

Members knowing of suitable overseas clubs should contact Barry Lines.
