Rules for acceptance and discipline of members as accepted at club meeting on 20/9/1965

(A) Enrollment of members

all new members must be over the age of 16 yrs unless accompanied by one of their parents or guardians when there is no age limit.

any person ratifying these requirements will then be introduced to the members at any club meeting or outing. During the 4 months after this date the prospective member is regarded as an associate member. He need not pay club fees but he must attend 3 club meetings and 3 club outings in this period and attain a standard of proficiency equal to the C.V.A. minimum standard if he has not already done ^{and wishes to be a full member.} At the end of this time the prospective member may elect not to join the club or to join as an associate member or as a full member.

If he wishes to join as an associate member he must be proposed and recorded at a club meeting by 2 ~~at~~ members of at least 12 months standing ~~in the club~~ and accepted by a majority vote of the club. ~~He~~ He must also have attended the required 3 club meetings and 3 outings.

If he wishes to join as ~~(F)~~ a full member he must comply with the requirements for an associate member but in addition he must be over 18 yrs of age and able to produce a certificate of proficiency from a recognized diving school or demonstrate his proficiency to any member of the club committee.
