

Meeting of The South Pacific Divers Club 16/1/67  
17 Members + 10 visitors present.

Meeting began at 8:30 pm

Minutes of previous meeting were read/carrried  
Discussion arising from the minutes

Diving tamer. Council refused installment  
of diving tamer for reasons which  
were stated in the letter. The possibility  
of a decompression chamber be OK was  
then discussed. It was decided to check  
on size, condition pressure capabilities of  
the chamber selected by the committee before  
submitting approval to the council  
John Allen moved that we appoint a person  
qualified to check the proposed vessel  
for our requirements, report to be given  
by Sam Byron next meeting/carrried.

Correspondence.

Reply of Thanks from Mr + Mrs Castle for
