

Special Executive Meeting

Meeting began at 8.25 PM ^{on the 23.1.70} 7 present

Meeting held concerning letter received from Michael Callachor regarding an incident at the previous meeting, when he alleged that Ian Denmeade struck him, Michael would like a written apology, if not he would resign from the Committee.

Hearing of Speakers

First speaker Michael Callachor. The first time I knew that the Club owed Ian \$30 was at the last meeting. Directly after the meeting I was signing up two new members when Ian asked me for a cheque. When I asked him for an account for the expenditure he began shouting and then struck me I couldn't retaliate because of my position in the Club. All I want is a written apology read out at next meeting. That will satisfy me.

Second speaker Ian Denmeade. Before the Bar B.A. I bought \$60 worth of beer on credit but received \$26 from the sale of tickets. When I asked for a cheque Michael said he wouldn't give me one until I give him an account. He then swore.

Michael denied swearing at Ian because of new members present also because a girl was sitting near them. Dennis asked Ian about his remarks to the effect that Michael had it in for him before the meeting. Ian replied that he was told that Michael seemed to have a grudge against him.

After further discussion, Ian agreed to send a written apology, which Michael will accept.

John Sumner moved a motion that the apology be accepted seconded ~~Des~~ ^{Henry} Henry. John Sumner moved that the matter be now closed seconded Alan Moule.

Meeting closed 9.10 P.M.
