- Meeting opened at 8-40 pm.
- There were Apologies from Bob Pratt, John "Le Pom" Welch, Jess, and J.C.
- The minutes from the previous meeting, on 21st July (1975), were read and received. Peter Horner moved they were accurate and be accepted, seconded by Michael Bynes.
- The Treasurer then handed in a financial report which differed from previous figures quoted
 - For June/July. The club had \$267-61 in bank as quoted from a Bank Statement.
 - The Snowy Trip cost \$1,420
 - This left \$247-61 in Bank plus \$1-50 in hand. Thus a total of \$249-11.
 - For August, including fees taken the club took \$156-00
 - The latest Bank Statement dated 23/7/75 was \$403-61

Peter Horner moved to accept report, seconded by Peter Stanke, motion passed.

• Previous Outings

- The Cutty to Long race had Tony Reynolds first home for SPD in 24 min, followed by John Le Pom, then Old Man Taylor, and last but not least Mick "Hassle" Bynes bringing up the rear. It's consistent - holding rear position for two years running. Also we were led to believe John's downfall was due to some bouncing boards.
- Future outings were outlined in the club bulletin, for the Aug. 30th dive on the Galena off Invergel the first 14 only will be taken
- Compliments to the editors of the last Club Bulletin for their print and prose.

• General Business

- At present there are 21 financial members in the club
- Peter Horner then spoke about the Maritime Services Board beginning to clamp down on charter boat operators especially at Jarvis Bay. We had better look ahead for future bookings

• Next on the agenda was T shirts. — There appeared to be a difficulty in obtaining T shirts yet Raymond assured us he could get BVD the cheapest in Sydney.

• Jebby proposed that the club form a list of members with their respective addresses and phone numbers, and issue this list to all members for better communication purposes.

• The Club Secretary introduced a Questionnaire regarding members interest in the club. The questionnaire is to be completed preferably before next meeting.

• The Anniversary Weekend was planned, and 5-6 boats should be in attendance with 20 or 25 members.

• Meeting was closed at 9-40 pm.

• No slides or movies were shown.

Greg Hawkes (Hawkes).
