The Club expressed their appreciation to the girls of the Social Committee for the tremendous effort they put into the Christmas party.

It was decided that someone from the AUF be invited to the club to "put forward their organisations ideas etc". All voted in favour, except Larry Reynolds

Pat Manly gave a run-down on the photo comp and informed members that a comprehensive list of clubs had been obtained from the SDAA and also urged members to support this comp.

The President suggested that when all entrants' slides were returned, with their score sheet, a resume' of the club be also sent (ie a history of the club, outlining activities etc) He volunteered to draft this for club perusal at the next meeting.

Due to <sup>Anne and</sup> Andy Hughes being evicted from their lodgings at a time Andy requested another member to take responsibility for the club projector etc. Pat Manly as Photographic Officer volunteered.
