Dive Reports:

Peter Strathford has been up at Coffs Harbour. 60ft-100ft Viz. Dived in a cave with heaps of greys.

Rick Latimer stopped at Forster then boated up to Seal Rocks. The trip takes approx 1 hour ten minutes and Rick commented on the enormous potential for diving this stretch of coastline.

Bruce Gardiner and friends recently stayed at the Port Hacking River. Weather was lousy until a certain couple decided to leave and go horse riding. Bruce had a dive at Barrons Hut recently and the viz was great. Could see the boat from the bottom.
