DIVE REPORTS

A number of club members had a night dive on the Tuggerah from Max Western's boat, 'Sea Tamer'.
Left Dolans Bay boat ramp about 7.30 p.m. Seas were rough, with a strong current running. Max had previously buoyed the wreck to make it easy to find.

A very good dive, with hundreds of serpent eels, phosphorescence, squillions of fish, volutes, big tassies, couple of small jewies. Rumour has it that one of the club members was so green around the gills he nearly swam for it. Also, was a certain club member marked off his face when he thought he had 5 divers with him instead of 4??

GENERAL BUSINESS

As this was our usual informal December club meeting not much discussion took place except mention was made of discussing the subsidising problem at the next meeting.

Meeting closed 9.00 p.m.

Neil Koos won the Ikelite torch in the raffle.

Lyn & Pat Manly showed slides of Micronesia, Neil Vincent showed slides of canyoneering and Ron Mines showed slides of the dolphins from Monkey Mia.
