DIVE REPORTS

Gerald Browne had a shore dive in Sorrento, Melbourne. Pitiful dive, lousy vis, nothing to see but miles of kelp.

Wayne Nelson had 2 dives on the Tuggerah. First dive 40' vis, 2nd 60' vis. Good dives.

Lloyd Tape dived South Solitary. Had to swim 2-1/2 kms to see the Grey Nurses that weren't there.

Ron Mines and many other club members dived Jervis Bay over Christmas. Had a few good dives, with a night dive at the Docks. Found a bubble cave at 60' which he showed a few other divers.

GENERAL BUSINESS

Karin Smith put forward the idea for club members to take part in the annual clean up along the shores of Sydney the following Sunday, but there were no takers.

Martin talked with David Nutley who said the Dunbar had been declared an historic shipwreck. Warned divers to be careful in future as there is a 200m no-entry zone around this wreck. One diver recently had his gear and boat impounded. A permit is now required to dive the Dunbar. An example of bureaucracy gone mad.

A suggestion was made he come along to a club meeting and answer some questions if he was game enough.

Regarding the name registrations, SPD name will be registered next month with Dept. Industrial Relations. \$95.00.

Meeting closed 8.40 p.m.

Thank you to John McDermott and CEL Video for donating "Black Jack" video for the raffle.

Wayne Nelson won the video and Wayne King won a bottle of port.
