PHOTOGRAPHIC OFFICERS REPORT

Martin and Brian went to Corporate Theatre to talk about changing the format from 3 images across screen to 2 images with 3rd over centre. Brian found system well presented with the advantage of less hire gear required and also don't have darkening on edges of slides. Costing equivalent or possibly 10% more than last year.

SOCIAL SECRETARY'S REPORT

First Aid Course - \$50.00 head to be held at John McDermott's house.

DIVE REPORTS

Peter & Sue O'Grady dived Barrens Hut - 2 m under the water could see the bottom. Unbelievable vis over 100'.

Martin Kandilas dived -- wait for it -- THE TUGGERAH. Fantastic vis, could see bottom of boat in 110'. Amidships could see bow and stern of Tuggerah which is 56m long.

Peter Giessmann and Jeff O'Loughlin dived Bushrangers Bay. Also went in the Terrigal rafrace in which they came 5th.

Michael Latimer with Martin K, Peter Harper and Rick dived Tuggerah. Saw at least 100 spinner dolphins on way out - took 30 mins to find the wreck. Great day overall.

GENERAL BUSINESS

Rick has asked for a plan to recruit more members.

Should we try the following:

1. recruiting drive via Dive Log paper.
2. brochures to charter boat operators.
3. more active dive organiser.

9.40 p.m. Meeting Closed.
