SOCIAL SECRETARY'S REPORT

Dive on the Duckenfield on Sunday 21/7/91 - Meet 9.00 a.m. Rose Bay or 10.00 a.m. Long Reef boat ramps. Permits required. Alan McLennan explained permit was required so they can monitor the number of divers on the wreck.

Restaurant night - 3/8/91 Let Pennie know if you want to go. The Madura is B.Y.O. as well as being licensed.

Dive on 11/8/91 - 8.00 am Wanda's Reef - \$20.00 ea 8 places only.

DIVE REPORTS

Neil Koos, John McDermott & Rick Latimer dived the Annie Miller. Water blue, 60-70' vis, no current, 15 mins bottom time. Rick forgot to turn one tank on and the other was empty. Paid John

McDermott \$20.00 to shut his mouth. Saw a whale back on the surface (not Rick).

Pennie dived Wandas Reef. Just like Stoney Creek, lots of sponges, sea whips, lovely spot.

Rick L & Martin K dived the Undola. Good vis. Rick hasn't seen much change on the wreck over the years. Lot of goodies still there. Rick says M.K.'s receptive abilities pretty good!! Not too much current. Net still on wreck.

Pennie Smith and Ron Mines reported on the 4WD divers weekend - 16 people all arrived on time at the meeting point. Surprise, Surprise! Everyone was too frightened to be late. Had a really wonderful time. Found a waterfall whilst we were lost so had lunch there. Tim did a great job guiding us around in the absence of Neil Vincent.

GENERAL BUSINESS

Rick Latimer noted his appreciation for Vicki Colwell for all here help on the night.

Rick had been talking to Dennis Robinson, one of our life members from W.A. and said that Dennis thanked us for keeping him up to date with the Newsletter.
