7TH February, 2001

Apologies: Tom and Glen

Correspondence In: Waves newsletter, application Bill Atherton, BOC Gases account, Starship Cruises letter, Bank statement, Sport –tour & travel guide, URG Bulletin, Netspace confirmation.

White pages telephone listing - Still showing on Peter Flockarts phone accounts. Cancel it, shows wrong telephone number anyway. Sue to sort it out.

Club Insurance – Liability – Linh completed forms ages ago – has not heard anything. Linh to chase.

Newsletter Editor – Need one!

Suggested putting it on the web site – but if we do – Who will join the club, besides all our financial information etc would be on show.

Web page up and running – few alterations needed but basically fantastic

Suzanne Evans – meeting last week Tom, Noel, Bernie and Linh.

She was offered that we would pay half of Noel's Sink hole/ Cave diving course \$350.00 or pay her a cash sum. Linh and Bernie had no idea about the cash being offered. If it's dollars she wants it should be around \$200.00 – what the course was worth back then, not what it is worth now. Further discussions at next meeting.

According to Grey – Suzanne was too busy to take the course originally – therefore is it really our problem?

BOC Gases – rental bill received medical C size oxygen \$56.76 annually for oxy viva. Do we need this still? To be brought up at meeting.

Club Shirts – can get Australian made, club designed, embroidered polo shirts for \$26.50/ sell \$30.00. Warren has offered to bring various samples to our meeting. – March's meeting.

Photo Comp – Grey has received lots of emails.

He has scored the Lucky Door Prize coupons for venues gone by containing name and addresses of past paying visitors to watch the presentation night. Grey to do a letter, Linh will post it off to them.

SCANS weekend away – March 23/24 definitely need numbers next meeting.
