

Cave Exploration Group (S.A.),
c/o S.A. Museum, ADELAIDE.
22nd June, 1958.

Dear Member,

Because of the many items of interest which have come up lately, once again we issue a quarterly news sheet with the programme.

C.E.G.S.A. has now become an affiliated member of the Cave Research Group of Great Britain. This is an organisation to which the A.S.F. is somewhat similar, which looks after the interests of caving groups and publishes some very worthwhile material on speleology.

MEETINGS: Last quarter we had several interesting lectures by members - K. Lynn on "Caving in England"; B. Daily on "Fossils in and around S.A. caves"; and R. Sexton on "Archaeology and Caves."

TRIPS: The Easter Trip to lake Hamilton resulted in the exploring and partial mapping of the Homestead Water cave, where we were able to cave in true European fashion - up to our necks in water!!! Several interesting personality photographs were taken. The Sponge cave has several members wondering how water can find three levels at one and the same time.

The Anzac weekend trip to the Flinders Ranges saw the Eyrie and Two Quid caves explored and mapped.

At Naracoorte we were successful in locating the "Lost" cave, which lies between the Bat and Beekeepers Hut caves - who has a new cave theory??? This cave has a similar entrance to the Bat cave, but has not yet been entered and should whet our appetites for the next trip.

PERSONAL: The "beard" will be over on a visit from about the 5th July. Dr. P.S. Hossfeld has been awarded Honorary life Membership in C.E.G.S.A. Congratulations, Dr. Hossfeld.

We hear that two committee positions will soon be vacant. The Secretary and Trip Secretary will be leaving S.A. shortly on an overseas trip - forming a legalised partnership beforehand, of course !!!

Jack Dolan is up in Wagga with the R.A.A.F. He has been caving with the Wagga club, but unfortunately has been in hospital for a few weeks. He is up and about again now.

Congratulations to Athol Jackson on his engagement.

"Luke" Howard's party was a roaring success as far as several members can remember!!!

The display in the Tourist Bureau window was very successful, and has resulted in several applications for membership -good effort by all concerned.

BADGES: The new metal badges are at hand, and can be obtained from Jack Somerton. Price to be fixed shortly. There are still a number of cloth badges available.

REPORTS: The trip secretary is calling for any overdue reports, maps, library books and etc. Black and white "personality" photographs would be much appreciated for speleoddities.

INTERCLUB WEEK-END: This will be held on August 2nd-3rd at the National Fitness Camp, North Christies. See details on separate sheet. All members are asked to attend and help give the visitors a good time - remember, we are the hosts that weekend!

COMPETITION: The annual photographic competition has been announced. Have your entries in on time - who knows, YOU may win it!!

The Tasmanian Caverneering Club has asked for information regarding "bods" wishing to attend the Xmas A.S.F. conference in Hobart and the following trips. Would all members wishing to attend please fill in the attached form and submit it to the secretary.

C. E. G. S. A.

Annual Photographic Competition

New Sections!

Something for All,

Certificates

- Section 1: Best colour slide photographically (not necessarily winner of any other section). Colour rendition important.
- Section 2: Best black and white photograph.
- Section 3: Best action colour slide. Colour rendition of some importance.
- Section 4: Best colour slide of formations. Colour rendition of importance only to distinguish between otherwise equal slides.
- Section 5: Most humorous photograph.
Slide or black and white; colour of no importance.
- Section 6: Photograph for Xmas Card. (To be selected from place getters in other sections.)

Certificates: These will be awarded for First and Second place in Sections 1 to 5.

Xmas Card: This, suitably endorsed, will be awarded to winner of Section 6.

RULES:

1. All entries must have been taken by the entrant, who must be a member.
2. All entries must be connected with caving activities or speleology.
3. Place-getting entries of previous C.E.G. competitions cannot be entered.
4. All entries must be marked with name or initials of entrant and where taken.
5. Sections 1 to 4 inclusive to be judged by well-known authority. To be final.
6. Sections 5 and 6 to be judged by ballot of members at Museum meeting on 9/9/58.
7. Entries for Section 5, if embarrassing to any person, must be entered by permission of that person.

NOTE:

Entries to reach Organiser, V.Linke, by 27/8/58.

Enquiries to V.Linke, 'phone number ML 4839 (home).
