c/o S.A. MUSEUM
NTH, TCE, ADELAIDE

Dear Member,

The final quarter of our year is now with us, and the A.G.M. is approaching fast. Have you given any thought to the committee for 60-61?

MEETINGS - The Museum meetings of the past quarter did not follow the printed programme but were nevertheless well attended and enjoyable. Particularly good were the latter two meetings, being a film night as programmed, and a discussion of the A.S.F. "Terminology" paper.

TRIPS - The three trips programmed for the last quarter all took place, and work was done in all three areas.

October trip to Flinders did more cave search and although results were somewhat negative the area is still promising.

November trip to Naracoorte did work on the hut and outside fireplace. An interesting fossil bone was found in the Bat Cave.

The Mt. Burr trip combined with V.C.E.S. was successful with slides being shown at night for the Xmas Reunion.

A Christmas trip was held to Glenelg River and some work was done including an investigation of the Princess Margaret Rose area. A possible exit to the river me found but no connection with the tourist cave could be found as the cave stopped at an earth fill probably within 30 ft. of the end of the Tourist Cave.

The visit (not a trip) to the Police Advanced Driving Wing was a useful and instructive evening.

ANNUAL DINNER - This was held at Rigonis and was enjoyed by all - even those who can't remember the end of it. Leather Medals were presented to P. AITKIN for leading the Nullarbor Trip, and D. LANYON. A leather pistol was presented to Mr. and Mrs. Hill to beat off the blacks at Tea Tree Gully.

CONGRATULATIONS to Dave Taylor and Yvonne. There may be hope for C.E.G.S.A.'s bachelors yet.

Nullarbor Trip - This has now left with high hopes.

NEW MEMBERS - Congratulations to Miss R. SAUNDERS of LUCINDALE accepted as an ASSOCIATE.

CONSTITUTION - We now have a CONSTITUTION again as from Oct. 28th, 1959

A.G.M. - The A.G.M. will be held on Feb. 24th. Some thought should be given to Committee nominations as at least two members are expected to retire.

FINANCE - PLEASE NOTE your subs will be due at the A.G.M.

18th February, 1960.

Dear Member

The ANNUAL GENERAL MEETING of the Group will be held on the 24th February 1960 at 8 p.m. at the National Fitness Clubrooms, 69-70 South Terrace Adelaide.

Included amongst the items of business will be the reports of officers for the past year, and the election of the Committee for 1960-1. Several of the present Committee are not seeking re-election, and we will have to fill several positions, notably those of Secretary Treasurer. As new committee members will have to be drawn in, it is important that you give careful consideration to your nominees well before the meeting.

To allow a reasonable time before voting, nominations will be called for the office bearers for 1960 before the opening of the meeting, and these will be placed on a blackboard so that due thought can be given them. It is requested that no nominations be made after the meeting commences unless it is essential to fill some position.

Enclosed with this letter you will find the 4th Annual Report and Statement to be presented to this meeting for approval. Appended also is a full list of members as at the 1st February 1960 for your reference. Any errors or change of address should be noted on the attached membership renewal slip, to bring the records up to date.

You are reminded that the subscriptions fell due at the Annual General Meeting. To continue your membership you are requested to complete the following form and return it to the Secretary with remittance as soon as possible.

Yours faithfully,

M. J. Mollet
