

March 28th 1960.

QUARTERLY NEWSLETTER

Dear Member,

During this 1st quarter there have been some strange fluctuations in the enthusiasm of our members. The first trip of the quarter was cancelled because of lack of starters while the other two - to Naracoorte and Curramulka were very well attended. However, this rise in activity does not seem to have been reflected in attendance at meetings, for the March General Meeting failed to attract a quorum.

MEETINGS

The AGM was held in February and here are your Committee for 1960:

Alan Hill	President, Naracoorte Research Centre
Peter Aitken	Vice President, Museum Representative
Bob Sexton	Secretary
Tom Wigley	Treasurer
Athol Jackson	Quartermaster, Search and Rescue
Jack Somerton	Records and Library
Dave Lanyon	Membership, ASF Representative, badge sales
Tony Mead	Publications, map sales

On lecture nights we heard three interesting talks: Dr. Brian Daily on Meteorites, Bob Sexton on underground waters of the south-east, and Peter Aitken on the types of insects, arthropods etc. which we are likely to find in caves. We hope to publish with the next newsletter an identification chart based on this last lecture.

TRIPS

The trial scrabble to Punyelroo Cave in February gave our Search and Rescue team some useful searching practice. The Naracoorte trip with the Bushwalkers and our Victorian members was a great success and augurs well for future combined trips. Our new 180ft. lifeline was put to good use at Curramulka - at one time there were 16 people in the Town Cave, including our Museum staff members who were digging out earth for carbon-14 dating.

MEMBERSHIP & MEMBERS

A Tourist Bureau window is being planned for the near future to attract outside interest in the Group. Congratulations to Peter Aitken on becoming a Full member and on being elected ASF Secretary, and we welcome these new Associate members:

Harold Gallasch	Robert Davies	John Bishop
Athol Dorman	John Scown	

Jack Somerton is back with us from the UK and we congratulate Miss Moira Mason and Jack on their engagement. Congratulations to the Tea Tree Gully S.S. on gaining a new member - Mt. and Mrs Hill have a daughter.

Please note these changes to the list in your Annual Report:

P. Aitken	15 Clarke Ave, Glandore
June and Ken Lynn	c/- Ramar Dresses, Crook, Co. Durham, U.K.

And please remember: 1960 subs were due at the A.G.M.

Yours Sincerely,
A.I.Mead,
Publication Officer

CAVE EXPLORATION GROUP - (SOUTH AUSTRALIA)
