FORMAL NOTICE is hereby given that the 6th A.G.M. will commence at 8.30 p.m. on Wednesday, 26th February, 1962, in the National Fitness Council Rooms at 69-70 South Terrace, Adelaide. All nominations for committee and office bearers must be submitted before the commencement of the meeting.

PAST TRIPS: November's bush walk to Crippen Lane, Adelaide produced encouraging results in what is confidently expected to be a vastly improved ladder-making technique.

The visitors to Tantanoola in December had the pleasure of meeting Ben Mitchell (Sunday Mail fame!)

During the Christmas break a large extent of the Beekeeper's Extension was mapped to an estimated Grade 2½.

NEW CAVE: The closest cave to Adelaide is now nearer than Elizabeth. Permission to enter is still to be obtained and to avoid prejudicing our case the details of location are being withheld for what is hoped will be a very temporary period.

GEAR: The Quartermaster (Athol) requests that all gear be returned no later than 27th January. This will enable him to prepare his bit for the Annual Report.

ANNUAL DINNER: Nineteen cavemen, tried and true, were present for an enjoyable evening at Rigoni's. Leather medals were presented to Noel Mollet, and Ron Galbraith late of Canberra. Vic Linke once again produced the best slide in the after-dinner competition and everyone got home without the aid of a wheelbarrow.

SPECIAL MENTION: Joyce Peters processed all the prints for the Christmas card as well as taking the photograph in the first place.
