

EDITORIAL

There being virtually no trip reports from the half dozen or so trips run in the last quarter there is no Newsletter; merely a news-sheet. We can obviously look forward to a bumper edition for the next issue as due to the lack of advertised trips there will be plenty of time to write articles. I will need articles and annual report material by 14 February 1990.

I would like to take the opportunity to thank those people who have contributed during the year and to wish all members a safe and happy Christmas and an active new year.

TOWN WELL CAVE 5Y2

Members are reminded that CEGSA policy for the use of this cave includes that a person be stationed on the surface to prevent problems with the general public at the shaft. This has become more important now that there is a new house adjacent to the entrance. Failure to observe this practise may render the trip leader liable for damages should an accident occur.

CORRA LYNN CAVE 5Y1

Access arrangements have been negotiated with the new owner of Corra Lynn. All trips are now be controlled by CEGSA. Anyone visiting the cave must do so in the prescribed period and comply with the requirements of advance notice and indemnity. Graham Pilkington is coordinating access to the cave.

FEES - 1990

Fees for 1990 are due from **1 January 1990**. To be eligible to vote at the AGM fees **must** be paid. Remember, no fees - no newsletter. The group cannot operate if people pay their fees half way through the year.

ANNUAL DINNER / AGM

The Annual Dinner and AGM will be held on **Friday 16 February, 1990** at the Stag Hotel, East Terrace, Adelaide commencing at 7.00pm. This is an important date in the Group's calendar so make sure you keep the date free. Presentation of awards for meritorious behaviour are made, so **be there**, you may just happen to be a recipient. We are not prejudiced. An **important** part of the AGM is the **election of officers and committee**. There will be several vacancies in 1990 so **nominate** yourself or someone else. The more people that help, the easier the task is. Support the group and help!

TASSIE 1991

Two part trip - New to Tassie and Experienced Tassie Members wanted for both parts. Bookings need to be made soon so contact David Trehearne (Ph. 356 3992) now for enquiries or booking. It will be guaranteed to be a great trip; a must for those who haven't been to Tassie.
