Executive Summary.....	I-iv
1.0 Introduction	1
1.1 Background.....	1
1.2 Study Area	3
1.3 Report Objectives.....	3
1.4 Methodology	3
1.5 Report Structure.....	4
1.6 Authorship.....	5
1.7 Documentary Sources.....	5
1.8 Acknowledgements	5
2.0 Historical Background.....	11
2.1 Aboriginal Occupation	12
2.1.1 Archaeological Evidence of Aboriginal Occupation within the Region.....	12
2.1.2 Moth Hunter Hypothesis.....	12
2.1.3 Other Views on the importance of the Bogong Moths.....	13
2.1.4 Synthesis of Regional Occupation Evidence	15
2.2 Aboriginal Occupation of the Yarrangobilly Caves Area.....	16
2.2.1 Introduction.....	16
2.2.2 Aboriginal Pre-History	16
2.2.3 Aboriginal Archaeological Context of the Yarrangobilly Caves Precinct.....	17
2.3 European Contact with Local Aborigines and Finding the Caves	17
2.3.1 The Caves	18
2.3.2 John Bowman.....	18
2.3.3 Murray and Mowle	19
2.3.4 Local Knowledge of the Caves.....	22
2.4 Nineteenth Century Visual Perceptions of Caves	22
2.4.1 Australian Perceptions	22
2.4.2 Why an Interest in Caves?	23
2.4.3 Earliest Photographs of Yarrangobilly Caves	24
2.5 Show Caves in the Australian Context.....	25
2.6 Early Settlement and Cave Discoveries in the Yarrangobilly Area	26
2.6.1 The Glory Hole Property	26
2.6.2 Little Plain Buildings.....	27
2.6.3 The Marshall Brothers Find the Entrance to the Jersey Cave.....	27
2.6.4 James Murray.....	28
2.6.5 Guided Tours in the 1870s.....	28
2.7 Control of the Caves Area during the Nineteenth Century	29
2.8 James Murray, Caretaker 1887-1895	30
2.8.1 Setting Up the Establishment: 1887	30
2.8.2 Two Cottages: 1888.....	32
2.8.3 Third Cottage: 1890	32
2.8.4 Changes in 1890.....	33
2.8.5 Lime Kilns at Yarrangobilly.....	33
2.8.6 The Jersey Cave.....	34
2.8.7 Bradley's Role in Setting Up the Jersey Cave	34
2.8.8 The Discovery of Additional Caves.....	35
2.9 A Vice regal Visit 1892.....	36
2.9.1 Road Access.....	38
2.10 Early Potential, Promotion and Protection of the Caves.....	39
2.10.1 The Observations of a Travel Writer.....	39
2.10.2 Potential as a Resort and Health Spa.....	41
2.10.3 Where the Visitors Came From	42
2.10.4 Rail Based Tourism.....	42
2.10.5 Mutilation of the Copper Mine Cave	44
2.10.6 Cave Protection	45
2.11 Henry Bradley, Keeper 1896-1904	46
2.11.1 A New Keeper: 1896.....	46

2.11.2 Constructing Pathways and Walls	48
2.11.3 Plans for an Accommodation House: 1901	48
2.11.4 Infrastructure Review	48
2.11.5 The Period 1901-1903	50
2.11.6 Relocation of Jersey Cottage: 1903	50
2.11.7 Relocation of the Original Caretaker's Cottage	51
2.12 Walter Hoad, Caretaker and Lessee 1904 - 1925	51
2.12.1 New Caretaker/Lessee of Caves House: 1904	51
2.12.2 The Car Comes to Yarrangobilly Caves	52
2.12.3 Discovery of the Jillabenan Cave: 1910	53
2.12.4 New Two Storey Wing, 1913-1917	54
2.12.5 Subsequent Alterations to the Caves House Complex	56
2.12.6 Caretaker/Guide Cottage: 1913	57
2.12.7 Tennis Courts: c.1913	57
2.12.8 Garage: 1913	59
2.12.9 Caretaker's Cottage: 1919	59
2.13 The Thermal Pool	60
2.13.1 Thermal Pool: 1894	60
2.13.2 Thermal Pool: 1916 – c.1942	61
2.14 Government Tourist Bureau Managers c.1920-22	61
2.15 Gertrude Day, Lessee of Caves House 1920s-1956 and Leo Hoad Caretaker Of Caves c.1922-1947	62
2.15.1 Changes in Management	62
2.15.2 How Yarrangobilly Used To Be	63
2.15.3 The Yarrangobilly Caves Ticket Office: 1926	64
2.15.4 Bruce Hoad Remembers the 1950s	64
2.15.5 Lease Relinquished: 1956	65
2.16 The Johnsons: Lessees of Caves House 1956-60	65
2.17 1960s-1990s	66
2.17.1 The Palfreys 1960 - 1966	66
2.17.2 Administration of the Yarrangobilly Caves Precinct into the Twentieth Century	66
2.17.3 Yarrangobilly Place of Detention	67
2.17.4 The Glory Hole Cave - Planning Australia's First Self-Guided Cave	68
2.17.5 Reopening the Caves:	68
2.17.6 Demolition of Buildings	69
2.17.7 Developments in Interpretation at Yarrangobilly Caves: 1970	69
2.17.8 Future Use for the Caves House	70
2.17.9 Current Use	71
2.18 Infrastructure Development	72
2.18.1 Lighting in the Caves before Electricity	72
2.18.2 Hydro-Electric System	73
2.18.3 Wiring the Caves: 1926	73
2.18.4 More Power	74
2.18.5 The Sewerage System	75
2.19 Promoting the Yarrangobilly Caves in the Twentieth Century	75
2.19.1 Promoting the Yarrangobilly Caves in 1911	75
2.19.2 Promoting the Caves in 1917	75
2.19.3 Trickett's Opinion of the Castle Cave: c.1919	76
2.19.4 Oliver Trickett, Photographer	76
2.19.5 The Role of Charles Kerry, Photographer	77
2.19.6 Touring in 1920	77
2.19.7 Recognising Recreational Opportunities	80
2.19.8 Jenolan Caves - A Handbook for Caves Guiding Staff	82
2.19.9 Comparison of Visitor Attraction	82
2.19.10 Cave Management Style	83
3.0 Cultural Features Overview & Description	85
3.1 The Yarrangobilly Caves Precinct	85
3.1.1. Study Area	85
3.1.2 Section Layout	86
3.2 Aboriginal Cultural Heritage	86
3.2.1 Local Archaeological Context	86

3.2.2 NPWS Recorded Sites.....	87
3.2.3 Small Area Reconnaissance Findings in February, 2000	90
3.3 Natural Heritage	93
3.3.1 Bioregion Location	93
3.3.2 Regional Context	94
3.3.3 Climate	95
3.3.4 Geology	95
3.3.5 Soils.....	96
3.3.6 Vegetation	96
3.3.7 Vegetation History and Impacts of Development.....	98
3.3.8 Fauna	100
3.3.9 Cultural Plantings.....	103
3.3.10 Scenic Grandeur	103
3.3.10 Scenic Grandeur	103
3.4 European Cultural Features	104
3.4.1 Introduction.....	104
3.4.2 The Show Caves.....	105
3.4.3 The Hydro Electric Scheme and Water Supply.....	107
3.4.4 The Picnic Grounds	108
3.4.5 Built Heritage [Accommodation]	109
3.4.6 The Thermal Pool and Change Rooms	111
3.4.7 The Glory Hole Farm Site	112
3.4.8 Infrastructure.....	115
The Telegraph and Telephone Lines	121
3.2.9 Other Items	121
3.2.10 Works Since 1992.....	121
3.5 The Chronological Development of the Caves House Complex.....	122
3.5.2 The Thermal Pool – Chronological Development.....	144
4.0 Contextual Synthesis	151
4.1 Preamble.....	151
4.2 Synthesis	151
4.2.1 Understanding of the significance of the development of Yarrangobilly as a tourist experience in the context of the development of the tourism industry and nature based and cave related tourism in Australia in general and in the Kosciuszko region in New South Wales in particular.	152
4.2.2 Analysis of the architectural character of the Yarrangobilly Caves House complex within the context of comparative period tourist accommodation houses.....	160
4.2.3 The importance and rarity of the karst system and the associated vegetation and topography in the context of other karst systems.....	164
4.2.4 The Significance of the Yarrangobilly Precincts' Association with the Local Aboriginal People and with Historical Aboriginal Occupation and Culture.	167
5.0 Significance Assessment.....	171
5.1 Basis of Assessment	171
5.2 Significance Assessment.....	172
5.2.1 Historical Significance (Evolution and Association)	172
5.2.2 Aesthetic/ Creative Significance.....	174
5.2.3 Technical Research Significance	175
5.2.4 Social Significance.....	177
5.3 Summary Statement of Significance.....	178
5.4 Relative Significance	180
6.0 Constraints, Issues and Opportunities	183
6.1 Constraints and Opportunities Arising from Significance.....	183
6.2 Obligations Arising from the Burra Charter of Australia ([Final Draft] Revised 1999).....	184
6.3 Issues and Opportunities Associated with Existing Form and Physical Condition	184
6.4 Constraints and Issues Arising from the Condition of Infrastructure.....	185
6.5 Other Management Issues	187
6.6 Federal Statutory Requirements	187
6.6.1 The Australian Heritage Commission	187

6.7 State Heritage Controls	188
6.7.1 The Heritage Act 1977 as amended in 1998	188
6.7.2 National Parks and Wildlife Act 1974	189
6.7.3 NPWS Policy Requirements	189
6.8 Environmental Planning and Assessment Act 1979.....	190
6.9 Kosciuszko National Park Plan of Management (POM).....	190
6.10 The Yarrangobilly Management Unit [YMU] Karst Area Management Plan [KAMP].....	192
6.11 NSW NPWS Corporate Plan 2000/2003.....	193
6.12 Issues arising from Aboriginal Significance.....	194
6.12.1 Legislative Requirements	194
6.12.2 Issues associated with Interpretation of Aboriginal Occupation	194
6.12.3 Issues and Opportunities Related to Conservation of Aboriginal Sites	195
6.13 Stakeholder Workshop	195
6.14 Constraints and Opportunities Imposed by Key Views.....	200
6.15 Future Use Opportunities	200
6.16 Opportunities Associated with the Introduction of New Technology	201
6.17 NPWS Leasing Options.....	202
6.18 Interpretation.....	202
6.18.1 Interpretive Opportunities	207
6.18.2 Universal Ideas and Values	208
6.18.3 Interpretation Infrastructure.....	214
6.18.4 Special Events	214
7.0 Conservation Policy.....	215
7.1 Statement of Conservation Policy Aims.....	215
7.2 Precinct Philosophy Statement.....	215
7.3 General Conservation Policy Statement Yarrangobilly Caves House Precinct.....	215
7.4 Specific Policy Statements for European Cultural Heritage.....	217
7.4.1 Fabric	217
7.4.2 Intervention.....	219
7.4.3 New Fabric/ Adaptive Re-use	219
7.5 NPWS Corporate Values.....	220
7.6 New Development Opportunities.....	221
7.7 Historical Archaeology.....	221
7.8 Aboriginal Cultural Resources	221
7.8.1 Preamble	221
7.8.2 General Conservation Policy for Aboriginal Cultural Resources	222
7.9 Specific Policies for Aboriginal Cultural Resources.....	222
7.9.1 Community and LALC Liaison.....	223
7.9.2 Little Plains	223
7.10 Natural Resources	223
7.10.1 Preamble	223
7.10.2 General Conservation Policy for Natural Resources.....	223
7.11 Specific Policies for Natural Resources	224
7.11.1 Historic Setting and Existing Plantings.....	224
7.11.2 Pest Species Management [Flora and Fauna].....	225
7.11.3 Fire Management.....	226
7.11.4 Scientific Research	226
7.12 Interpretation.....	226
7.13 Moveable Heritage	226
7.14 Collections	227
7.14.2 Acquisitions Policy	228
7.15 Specific Policies for Individual Elements.....	228
7.15.1 c.1980s Toilet Block at the rear of the Dining Room.....	228
7.15.2 1926 Ticket Office and Bell	228
7.15.3 1919 Caretakers Residence/Visitor Centre	228
7.15.4 Thermal Pool & Surrounds.....	229
7.15.5 Picnic Grounds	229
7.15.6 BBQ Shelter & Toilet Block	229
7.15.7 Ranger's Cottage 1968 [Cottage 2].....	230
7.15.8 Ranger's Cottage c.1956 [Cottage 1]	230

7.15.9 Hoad Entrance Gate	230
7.15.10 Vehicle Workshop	230
7.15.11 Glory Hole Farm	230
7.15.12 Show Caves and associated infra-structure	231
7.15.13 Roads and Tracks	231
7.15.14 Hydro Electric System	231
7.15.15 Sewerage System	231
7.15.16 Water Reticulation System	232
7.16 Review	232
8.0 Implementation Recommendations	233
8.1 Preamble	233
8.1.1 Precinct Purpose Statement	233
8.1.2 Management Challenges	233
8.2 Strategic Approach	234
8.2.1 Three Stage Process	234
8.2.2 Precinct Philosophy Statement	234
8.3 Stage 1: Adopt the Findings	234
8.4 Stage 2: Research and Planning Phase	235
8.4.1 Preamble	235
8.4.2 Research and Planning (1-5 years)	235
8.4.3. Identify New Technologies	235
8.4.4 Prepare and Assess Environmental Feasibility, Business and Marketing Plans	236
8.4.5 Introduce Community Liaison Mechanisms and Structures	236
8.5 Future Use Options/ Directions for Caves House	237
8.5.1 Preamble	237
8.5.2 Adaptive Re-use Options for the Caves House Complex	237
8.5.3 Archaeology Associated with Development in the Vicinity of Caves House	241
8.6 Development Control Guidelines	242
8.6.1 New Buildings/ Structures on the Site	242
8.6.2 Guidelines for New Buildings or Additions to the Caves House Complex	242
8.6.3 Guidelines for a New Visitors Centre	242
8.6.4 Guidelines for Other Potential New Building Developments	243
8.6.5 Guidelines for Caravan and Camping Grounds	243
8.7 Cave Tours	244
8.8 Site Circulation	244
8.8.1 Light, Low Polluting Vehicle Option	244
8.8.2 Small Buses	245
8.9 Future Use of the Thermal Pool	245
8.10 Precinct Management Planning and Interpretation	245
8.11 Stage 3: Staged Implementation	246
8.11.1 Infrastructure Development Works [1-10 years]	246
8.11.2 Caves House Complex	247
8.11.3 Visitor Centre	247
8.11.4 Site Circulation Works	247
8.11.5 Thermal Pool	248
8.11.6 Glory Hole Farm	248
8.12 Ongoing Site Management and Maintenance	249
8.12.1 Existing Site and Building Fabric Management	249
8.12.2 Cyclical Maintenance for Buildings	249
8.12.3 Maintenance of Key View Lines	250
8.12.4 Cyclical Maintenance for Actively Managed Grounds and Tracks	250
8.12.5 Cyclical Maintenance for Show Caves	251
8.13 Management of Aboriginal Heritage	251
8.13.1 General Requirements	251
8.13.2 Burial Repatriation	251
8.13.3 Interpretation of Aboriginal Heritage	251
8.14 European Archaeology	252
8.15 Review	256

3.0 Bibliography	257
9.1 Published Works General.....	257
9.2 Journals General.....	258
9.3 Newspapers General.....	258
9.4 Unpublished Material	259
9.5 Oral Evidence	259
9.6 Aboriginal Heritage.....	259
9.7 Natural Heritage	260
9.8 Web Searches	260

APPENDICES

Appendix A: Invitation list for the Yarrangobilly Caves House Precinct Workshop

Appendix B: Process and Outcomes of the Workshop held to provide community participation in contributing to future planning of the Precinct

Appendix C: Complimentary remarks about the Murray Family

Appendix D: 1920s NSW Government Tourist Bureau Brochure
"The Wonder Caves of the Southern Alps"

Appendix E: Details of a Visit to the Yarrangobilly Caves in 1903

Appendix F: The Extent and Boundaries of the Yarrangobilly Province;

Appendix G: Details of early hydro based electricity schemes in Australia from an Australian Electricity Supply Research Study Board Study *Framework for Heritage Management, Industrial Heritage of Power Generation: Development of a Typology and Significance Assessment Approach*, prepared by Godden Mackay Pty Ltd. 1994.

Appendix H: Background to minor historical items located within the Yarrangobilly Caves House Precinct, extract from the 1989 arch design group Conservation Plan

Appendix I: Relevant articles of the Final Draft Revised Burra Charter of Australia 1999.

Appendix J: Legislation which affords protection to Aboriginal sites;

Appendix K: Interim Landscape Management Approach.

Appendix L: Yarrangobilly Flora List

Appendix M: Yarrangobilly Fauna List

Appendix N: IUCN Guidelines for Cave and Karst Protection
