

Introducing Kerry's Jenolan cards

Kerry produced an immense diversity of postcards at Jenolan, and to simplify the complexity of numbering, these are given a special JK code number and all dealt with in this folder.

The series listed here include some photographs actually taken by Oliver Trickett, but published by Kerry or as part of a major series that was dominantly by Kerry.

They are arranged as follows:

|-------------|--|
| JK00 | The first postcards by Kerry |
| JK0 | Un-numbered Collotype cards |
| JK1 . . . | Numbered Collotype series, using Kerry's original series numbers:
1, 31a (number and title omitted), 31B, 76, 77, 78, 79, 80, 81, 82, 83,
84, 85 |
| JK90, 2JK91 | individually numbered real photo cards |
