

#### **J04. N.S.W. RAILWAYS SERIES. [1906]**

Pu N.S.W. Railways

F Photogravure with title in lower margin ; back has impressed stamp (1d. red, State Arms)

There are at least two versions of the back - one (Steig type 5) has a stamp box, with impressed stamp below so that it falls roughly in the centre of the R.H. side (A) ; the second (Steig type 6) has no stamp box and the impressed stamp in the normal location (B). In the second of these, we also have two variants :

- the title running full width of the card (135mm.)
- title centred and only 110mm.
