

#### J14. RUTHERFORD PAINTINGS SERIES [A : n.l. 1909 / B : 1915]

At Geraldine Rutherford

F Printed in coloured half-tone from painting ; title and other printing in purple (A) ; a variation (B) has the back with the slogan 'Australia Day : Bathurst, July 30, 1915.' The City of Bathurst was founded in 1815, so this printing may well have been associated with some centenary observance.

These paintings also appeared in the artist's anonymous 'Views of the Jenolan Caves, N.S.W.' Vol. 2 (?1908). Our numbers below correspond with the plate numbers from that work.
