One card has message: *"This is where we would have stayed at Jenolan if they were not booked out. The caves are in the hills around & even underneath & have been lit up with electricity and made accessible with hundreds of steps. One cave was just like a beautiful cathedral with a high dome, & while the rest of the party were up near the dome, the guide persuaded us four girls to go down the bottom & sing for the others to get the full anthem-like effect. We did and sang 'Daisy Daisy' ! They gave us a clap."*
